

Basic Design Consult

\$150 per hour + GST

You may only need an hour or two for colour selections, spacial advice, lighting suggestions or any other design related questions. Ask me whatever you like!

Site visit

Being in the space is invaluable as we get a feel for how it currently works and how you would like it to work. This way we can give you on the spot information that may involve furniture layout, supplier suggestions, furniture sizing or anything else that will get you started and on your way to DIY.

Soft Furnishings

We can offer an initial free measure and quote to start you on your way to making decisions about your window furnishings. Window furnishing options include; Curtains, Roman Blinds, Roller Blinds, Motorization, Pelmet, Shutters and more. Our window furnishings are all manufactured in Melbourne and include after sales service.

You can also explore our other soft furnishing, such as custom made bedheads, wall panels, custom made bedding and cushions.

**Prices are subject to change*

Interior Styling & Design

Styling Service

Our styling service includes sourcing of furniture, art, rugs, lighting, window furnishings and wall/floor coverings. You will be provided with a digital mood board, samples, floor plan for furniture layout, and a price schedule from our trade partners. Procurement will attract a fee per product.

Complementary initial visit

A free initial site visit allows us to assess the scope of works that will then enable a tailor made solution and customised quote.

Custom solutions require customised pricing

Every project is different. Whether it be a kitchen design, bathroom design or material selections for a new home; we will understand your full scope in a free initial consult. An initial quote will then be emailed to you.

Interior Design Services include some or all of the following;

- Concept drawings
- Digital mood boards
- Materials, finishes and fixtures selections and schedules
- Digital floor plans, elevations, electrical plans or 3D drawings
- Samples tray
